AMUSEMENTS

At the Bijou.

Not in the history of the Bijou has there been presented a cleaner or more pleasing bill than is on the boards there this week, and as a result the management is kept busy handling the big crowds that attend each of the evening performances. Last night about every seat in the spacious Airdome was packed with those anxious to witness the show. The excellence of the Sisters Earle has gone forth, and those who have attended on previous nights have served as good advertising for the attraction, for everyone attending is pleased.

The attraction came to Pensacola well recommended by New Orleans critics, and has surely made good with Pensacola theatre goers.

William Rose is becoming more popular with each appearance, and last night he had the audience in an uproar while the sketch "Happy" by Byrd and Vance received much applause. The Ozavs, the comedy talking jugglers, are good and add much to the bill, which is an excellent one throughout.

At the Orpheum.

The world-famous acrobatic act of the Dunhams, in which they are being assisted by Willie Farine; the clever ante-bellum darkey impersonations of Harry Angel, and the excellent singing and dancing of the O'Rourke-Burnette-O'Rourke Trio, are still attracting "standing room only" houses at the Orpheum and will doubtless continue to do so during the remainder of the week. The bill is one of the very best ever booked into the house by Manager Vucovich, therefore deserves the patronage that is being accorded it.

Next week's bill, however, will be equally as good, though of an entirely different class of acts. In securing the Upside Down Zeraldas, a duo of equilibrists who actually defy the laws of gravitation in their marvelous work at balancing, Messrs. McIntyre & Vucovich have secured an act that will set Pensacola vaudeville patrons talking as they have never talked before. Several of the tricks of these wonderful European enter-

BABY-EASE

A LIQUID REMEDY FOR CHILDREN'S ILLS

PLEASANT—HARMLESS—EFFECTIVE

RECOMMENDED FOR:
Constipation, Diarrhoea, Convulsions, Colic, Sour Stomach, etc. It destroys worms, allays feverishness and colds. It aids digestion. It makes Teething easy, promotes cheerfulness and produces natural sleep.

BABY EASE is as good for older children as for babies—especially for school children. It is a mild laxative that makes a mild laxative often necessary. It takes the place of calomel, castor oil and other drastic purgatives that often seriously derange the system. It is mild and gentle in action.

tainers have never been attempted by other balancing gymnasts, and their tour of America, which will close within a few weeks, has proven a succession of ovations wherever they have appeared.

Perhaps the most startling feat performed by either of these marvelous equilibrists, is done by Mrs. Zeralda, who, balanced on her head, shoots the candles from the top of the flies to the stage, on a specially constructed chute extending the entire length of the stage. Another marvelous feat of balancing as well as strength, is performed by Mr. Zeralda, who takes Mrs. Zeralda on his back and makes a one-hand stand on a pedestal four feet in height, sustaining a total weight of 275 pounds on one hand. Head-stands and hand-stands heretofore regarded as impossible are to these "upside down" folk apparently as easy of accomplishment as it is for the despatched housefly to skip across a ceiling.

In addition to the Upside Down Zeraldas, Burton & DeAlma, musical comedians, featuring that little organ-tuned instrument, the consatino, in an act that will prove a scream from start to finish, have been booked for the week; also Paul Bawens, a black-face monologist and dancer who has proven a wonderful drawing card throughout the south, where negro characteristics, negro dialect, and genuine, old fashioned negro jig dancing are appreciated as they are nowhere else, and are applauded only upon their actual merit.

In the vernacular of the stage, "there's some class" to next week's Orpheum bill.

"At the Union Depot for a Day."

A fine rehearsal of "At the Union Depot for a Day," the Civic League play, was conducted at the armory hall last night, and all of the characters are becoming more and more interesting as time goes on. Tonight all the cast is requested to be present, and the Widower and his late Miss Fishwell, Mrs. Chattermuck and her daughter, Mr. and Mrs. Henpeck and the two learned automobilists are especially requested to be present.

On next Tuesday night a general rehearsal is to take place, and every member of the cast should make every preparation to be present.

AT MAGNOLIA
BLUFF TODAY

Event Which Was Postponed From Tuesday Will Occur This Afternoon.

The annual picnic by the Ladies Auxiliary to the B. of L. E., which was to have occurred at Magnolia Bluff Tuesday, but which had to be called off on account of the rain, will be held there today. Trains will leave the union depot at 2, 3:30, 5:10 and 8 o'clock p. m. The 3:30 train was put on expressly to accommodate those wishing to see the ball game.

There will, in addition to the ball game, be sports of all kinds with dancing in the evening, and fish chowder and other refreshments will be served. The round trip fare, including admission is only 25 cents.

Everybody is invited to this picnic and all visitors will not only enjoy a good time, but they will aid a worthy cause as well.

BIG CATCHES OF
RED SNAPPERS

Two of the largest cargoes of fish that have reached Pensacola in many years were brought in during the week by the schooner Henrietta G. Martin, of the Saunders fleet, and the schooner Algoma, of the fleet of the Warren Fish Co. The Martin brought in 36,000 pounds of snappers, all caught within 70 miles of Pensacola, the trip taking but one week. The men shared, each, \$78.00, the cook and mate \$104.00, and the captain \$165.60. The cargo of the Algoma consisted of 33,000 pounds and the vessel was absent from port only a week. The shares were slightly less than those to the crew of the Martin.

RECORD SCORE
MADE BY 77TH
CO. ARTILLERY

SIX HITS MADE IN SIX SHOTS AND WITHIN FIVE MINUTES WITH THE TWELVE INCH GUNS AT FORT PICKENS IN WHAT IS KNOWN AS RECORD TARGET PRACTICE.

Six hits in six shots and all fired within five minutes, was the remarkable record made by the Seventy-seventh company of coast artillery at Fort Pickens yesterday, when it fired its string of shots with the twelve-inch guns. The range was 6,000 yards.

The company yesterday began its record practice of the year at battery Pensacola at the fort, which is the same at which the Ninety-first company of New Orleans made its record, which is now excelled by the Seventy-seventh. So true were the shots that one cut the line between the targets which represented the water line of a battleship.

The officers in charge of the practice were as follows: Capt. Edwards, battery commander; Lieut. Donohue and Lieut. Gologue, range officers; Sergeant Glenn and Corporal McCuen, gun pointers; Corporal Sneed, plotter; Sergeant Evans, range board; Sergeant Long, range board; Sergeant Brown and Sergeant Williston, gun commanders. First Sergeant DeMont was in charge of the company.

Today the Twenty-second company will have its practice and the members are anxious to make as good a record as the Seventy-seventh.

BALL GAME AT
BLUFF TO-DAY

PENSACOLAS AND MARINES TO CROSS BATS THIS AFTERNOON AT PICNIC.

The first game of baseball between the Pensacolas and Marines will take place this afternoon at Magnolia Bluff, being one of the interesting items on the program of sports at the Ladies' Auxiliary B. L. E. picnic, which was postponed Tuesday on account of the inclement weather.

Both teams are in fine form and a good game is expected. The game will be called on arrival of the 3:30 train.

Pensacolas Accept Challenge.
Manager Bergin, of the Pensacolas, has accepted the challenge from the Twenty-second company at Barrancas and announced yesterday that his aggregation of ball players would meet the Soldiers on the diamond at Fort Barrancas next Sunday afternoon.

CAVE-IN OCCURS ON
EAST GREGORY ST.

While engaged in repairing a defective gas pipe yesterday in front of the residence of Mrs. S. E. Smith on East Gregory street, a colored workman narrowly escaped serious injury, a large amount of dirt and sand caving in upon him while he was at work in the ditch. He was entirely submerged for a time, but was finally rescued by his fellow workmen. After having had the hose turned on full in his face, he appeared sufficiently revived, and proceeded with the job.

SCOUT AUTO LEAVES.

New York, May 25.—The good roads scout automobile under the auspices of the New York Herald and the Atlanta Journal, started today on a trip from Herald Square to Atlanta, Ga. No effort will be made for speed tests at any point of the trip.

WITH THE BASE
BALL PLAYERS

MUCH INTEREST BEING TAKEN
LOCALLY IN THE GREAT NA-
TIONAL GAME.

Interest continues to increase in Pensacola with regard to baseball, and there is scarcely a day passes but that several fine games are not recorded, junior baseball never having been more auspiciously organized. Here are a few recent events of baseball interest we've grouped for today:

Floridas vs. Red Sox.

A fine game of ball was witnessed yesterday on the North Hill playground between the Floridas and the Red Sox, the Floridas having been victorious with a score of 48 to 3. This is the first game which the winning team has played this season, and the two teams will again cross bats tomorrow afternoon at 3:30 o'clock.

New Team Organized.

A new ball team has been organized under the name of the Pastimes and they are out for challenges. The lineup is as follows: F. Durant, catcher; W. Walton, pitcher; E. Cimble, short stop; I. Harris, first base; W. Miller, second base; T. Leach, third base; J. Thompson, center field; C. Lewis, left field; M. Gilmore, right field.

All members are requested to meet in Seville square between 4 o'clock and 7 today.

A Challenge From Bagdad.

Bagdad, Fla., May 25, 1909.

Sporting Editor Pensacola Journal.
Dear Sir: The "Bagdads" would like to challenge, through the columns of your paper, Mr. Jack Bergin's team for a game on our diamond Friday afternoon, the 28th. This will be the opening game of the season for the "Bagdads."

Yours truly,
ADONI TOMASELLA, Mgr.
WILL STEWART, Capt.
Game at Sneads.

Sneads and Marianna crossed bats on Friday, May the 21st. The game was one of the cleanest and most interesting ever played on the Sneads diamond. Big Ferrill, the Sneads pitcher, did some very clever work, no doubt surprising the visitors, as it was his second game in the twirlers' position and only allowing the visitors five hits, while they used three pitchers and allowed Sneads thirteen hits.

Ferrell and Evans starred for the Sneads team, the latter robbing the visitors of two three-base hits. O'Neal and Conley starred for the visitors. Every spectator complimented the Marianna nine on their gentlemanly conduct. The game resulted in a tie, the score being 8 and 8.

PURE SUGAR CANE SYRUP.

Alaga Syrup is the choicest product of fine Alabama and Georgia Ribbon Cane and is prepared by the old-fashioned open kettle process. It retains the natural sugar and strengthening qualities of the pure cane juice, and has a delicious flavor. For table use ALAGA is best alike for old and young. It is easily digested, and most nourishing, besides having a real "syrupy" flavor.

A claim is easily made—hard to prove. We claim ALAGA is the best home syrup and its fine qualities substantiate our claims.

Alaga Syrup is put up in sealed air-tight, germ-proof cans, each of which bears the Government Pure Food Label.
